

PRINCE2™ Re-registration

3 Days PRA

OVERVIEW

Don't let your people lose their PRINCE2 Practitioner qualification! This course provides them with a refresher of the PRINCE2 method and gives them the opportunity to sit the re-registration exam.

PRINCE2 Practitioners are recommended to renew their qualification every three to five years, so if it's been over three years since they passed their PRINCE2 Practitioner exam then the time is right to be thinking about re-registration. Including a No Nonsense PRINCE2 key facts study guide and the PRINCE2 manual, this workshop provides two and a half days of study, updates and revision followed by the exam in the afternoon on the last day.
